- The Staff would like to thank our Friends Group for all the events you held all season: You are much appreciated!
- Thank You to Loyd Marsh for the countless hours working on our Bluebird Trail. We had many bluebirds fledge from our boxes this year. He also provided nesting boxes for Prothonotary Warblers with great success.
- Thank you to the numerous volunteers who have picked up trash, planted flowers, painted, worked on trails, built bulletin boards, helped with naturalist programs and the many other chores that have been accomplished this year through the dedication of these volunteers to our park.
- ***The Staff would also like to send a BIG Thank You to Friends of Mosquito Lake State Park Inc. for putting this and other BIG weekends together. We appreciate the time and hard work it takes to do all you do!***

Please continue to support our “friends” in any way you can- they benefit the park with activities and improvements that we couldn’t do without them.
